

WELCOME TO MYSERVICES

## ▶ To use the service you must be authenticated with an **EVS User Account**

### ✓ **EASY-TO-USE**

With that EVS account you have **one single identity** to connect to and use **multiple EVS services**. So, in the future, no need to remember different usernames and passwords : one Single Sign On for several EVS on line services.

### ✓ **PRIVACY-PROOF**

Keeping your personal information secure is a priority. For more info, please read our Terms of Use <https://accounts.evs.com/#/terms>

### ✓ **SECURE & TRUSTWORTHY**

You manage your **profile details** and your **connected Applications** thanks to the EVS Accounts management platform <https://accounts.evs.com>

MY ACCOUNT
